

## EXTRA! EXTRA!

It is official! The Boardwalk Neighbourhood Association is an affiliated community association with the City of Kitchener! The council made up of Sara Clarke – President, Bryan Hastie – Vice President, Jane Liu – Treasurer and Amy Prendergast – Secretary are excited to help start up this association, and eager to get things going with our first real event! See page 2 for more details.

## New neighbourhood association for the Boardwalk

Sarah Clarke lives and works in the Boardwalk community in west Kitchener, but when she started looking for a community group there, she couldn't find one.

The neighbourhood, bordered by University Avenue and Fischer-Hallman Road, from Victoria Street to Ira Needles Boulevard, is home to many residents who have moved into newer developments.

They were drawn together during their battle against some aspects of a development on Countrystone Drive, and that group went on to form the new Boardwalk

Neighbourhood Association.

"We are going to kick off with a winter carnival in February, and there will be monthly meetings," Clarke said.

The Boardwalk Neighbourhood Association is the 30th such group in the City of Kitchener.

The city works with the volunteers who run these groups to help facilitate recreation and leisure programming.

For more information go to Facebook and search Boardwalk Neighbourhood Association.

\*\*Article written by the Kitchener Post, December 2012 & actual winter carnival in February did not take place.

## Meet our Councillor – Bil Ioannidis! Ward 7

Bil, a seasoned financial planning consultant with Investors Group is trying to balance business and spending quality time with his wife Eileen and their two children.

Growing up in Kitchener, Bil graduated from Forest Heights Collegiate Institute, received his BA from Carleton University, and earned his Certified Professional Consultant on Aging (CPCA) designation.

Bil is very involved in his community and belongs to a number of organizations including the Small Business Community Network, the Canadian Academy of Senior Advisors Inc., and the Greater Kitchener-Waterloo Chamber of Commerce.

***If you'd like to meet Bil; discuss issues or share ideas regarding our neighbourhood please join us at our monthly meetings. See our website for details on date, time and location of meetings.***
